PATENT APPLICATION ASSIGNMENT

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the undersigned individual(s) (referred to herein as the "INVENTOR(S)") hereby assign, transfer, and set over to San Fu Chemical Company, Ltd., organized under the laws of Taiwan, ROC, having the following address: 5F No. 21, Section 2, Chung-shan North Road, Taipei, Taiwan, R.O.C. 104 (hereinafter "COMPANY"), its successors, assigns, and their legal representatives the entire and full right, title, and interest for the United States of America (including without limitation its territories and possessions) in and to the invention known by the following title:

Preparation of a High Purity and High Concentration Hydroxylamine Free Base

for which the undersigned have executed an application for patent in the United States of America, together with said patent application, all divisions, continuations, continuations-in-part, reissues, and extensions thereof, and all United States Letters Patent which may be granted therefor or therefrom. Such interest represents the entire ownership of said applications and Letters Patent when granted and is to be owned by COMPANY, its successors, and assigns, or their legal representatives, for the full and entire term for which such Letters Patent may be granted or extended, as fully and entirely as the same would have been enjoyed by the INVENTORS if this assignment had not been made.

In addition, the undersigned INVENTORS, each of them hereby agrees:

- A. To sign and execute any further documents which may be necessary or desirable, lawful, and proper in connection with the prosecution of all applications for patent(s) on the INVENTION in the United States, including without limitation said application and all divisions, continuations, continuations-in-part, amendments thereof, and all interference proceedings associated therewith, or otherwise necessary or desirable to secure the title thereto to COMPANY;
- B. To execute all papers and documents and to perform all lawful acts which may be necessary in connection with claims to priority or otherwise under the International Convention for the Protection of Industrial Property or any other similar treaties or agreements; and
- C. To perform all lawful affirmative acts which may be necessary to obtain the grant of a valid and enforceable patent to COMPANY.

The undersigned INVENTORS, each of them hereby authorizes and requests the Commissioner of Patents and Trademarks in the United States to issue any and all Letters Patent resulting from said application, including without limitation any division, continuation, continuation-in-part, reissue, or reexamination thereof to COMPANY.

The undersigned INVENTORS, each of them hereby grants to the firm of The SUN Law Office PLLC the power to include in or insert on this Assignment any other identification which may be necessary or desirable to comply with the rules of the United States Patent and Trademark Office for the recordation of this document.

IN WITNESS WHEREOF, this Assignment has been executed by each of the undersigned individuals on the date appearing by such individual's signature:
